Affordable, Accelerated & Accredited
Degree Programs for Ministry Professionals

About CBIS

Christian Bible Institute & Seminary offers Undergraduate, Graduate and Postgraduate studies in a number of Christian majors. Associate Degree, Bachelor's Degree, Master's Degree, and Doctorate's Degree Programs are offered with courses that build foundational blocks to allow students to easily move not only from one course to another, but also provide the incentive to move on towards the next level of degree studies with accomplished core courses.

Tony V. Lewis
President & Founder

The courses are structured in a simple format to provide students basic understanding of the main principles allowing the students to move through their degree courses, and in turn their programs at a faster pace. Students study independently at their own pace, which allows those that are motivated to complete their studies much sooner than in traditionally controlled programs.

100% Self-Paced Degree Programs, Study Anytime, Study Anywhere. You choose a schedule that is convenient for you. Although you study at your own pace, there is always access to a personal Academic Advisor that will assist you when needed.

Accelerated Dual Degree Program

Christian Bible Institute & Seminary is now offering the Accelerated Dual Degree Programs, which allows you to earn your combined BA and MA by completing 20 courses and a thesis for the Master's Degree. You can also earn your combined Master's and Doctorate Degree by completing just 12 courses and a Thesis for the Master's degree and a Doctoral Dissertation ONLY, for the Doctorate degree.

Christian Bible Institute & Seminary offers the British Model Ph.D. and M.A. Degree which requires the completion of a Thesis {Dissertation} to receive your M.A. or Ph.D. degree.

The British Model allows you to earn the Ph.D. Degree in less than one year, if you have a Master's Degree in any discipline! Or, with a Bachelor's Degree, you can earn the M.A. & Ph.D. Degrees by enrolling in the Accelerated M.A./Ph.D. Dual Degree Program.

Published literary works may be accepted in lieu of dissertation and or thesis upon review of our Dissertation/Thesis Committee.
